Dear parents and carers,

The aim of this information report is to explain how we implement our SEND policy. In other words, we want to show you how SEND support works in our school.

If you want to know more about our arrangements for SEND, read our SEND policy on our school website and speak to our SENDCO.

Note: If there are any terms, we've used in this information report that you're unsure of, you can look them up in the Glossary at the end of the report.

OUR SPECIAL EDUCATIONAL NEEDS CO-ORDINATOR, OR SENDCO

Our SENDCO is Mrs Anderson, who is a qualified teacher (LLB, PGCE, MA) who has a vast range of experience working with children with special educational needs. She is currently Deputy Headteacher at Broomhill and teaches in KS2.

She is working towards achieving the NPQ in Special Educational Needs.

Mrs Anderson is allocated half a day per week to manage SEND provision but will be available to discuss any concerns as required.

CLASS TEACHERS

All of our teachers receive in-house SEND training and are supported by the SENDCO to meet the needs of pupils who have SEND.

- Speech and language therapists
- Educational psychologists
- Occupational therapists
- GPs or paediatricians

- School nurses
- Child and adolescent mental health services (CAMHS)
- Education welfare officers
- Social services and other LA-provided support services
- Voluntary sector organisations

WHAT SHOULD I DO IF I THINK MY CHILD HAS SEND?

Tell us about your concerns

We will invite you to a meeting to discuss them

We will decide whether your child needs SEN support

If you think your child might have SEND, the first person you should tell is your child's teacher.

They will pass the message on to our SENDCO, who will be in touch to discuss your concerns.

You can also contact the SENDCO directly.

We will meet with you to discuss your concerns and try to get a better understanding of what your child's strengths and difficulties are.

Together we will decide what outcomes to seek for your child and agree on next steps.

We will make a note of what's been discussed and add this to your child's record. You will also be given a copy of this.

If we decide that your child needs SEND support, we will formally notify you in writing and your child will be added to the school's SEND register.

HOW WILL THE SCHOOL KNOW IF MY CHILD NEEDS SEND SUPPORT?

All our class teachers are aware of SEND and are on the lookout for any pupils who aren't making the expected level of progress in their schoolwork or socially.

If the teacher notices that a pupil is falling behind, they try to find out if the pupil has any gaps in their learning. If they can find a gap, they will give the pupil extra tuition to try to fill it. Pupils who don't have SEND usually make progress quickly once the gap in their learning has been filled.

If the pupil is still struggling to make the expected progress, the teacher will talk to the SENDCO, and will contact you to discuss the possibility that your child has SEND.

The SENDCO will observe the pupil in the classroom and in the playground to see what their strengths and difficulties are. They will have discussions with your child's teacher/s, to see if there have been any issues with, or changes in, their progress, attainment or behaviour. They will also compare your child's progress and development with their peers and available national data.

The SENDCO will ask for your opinion and speak to your child to get their input as well. They may also, where appropriate, ask for the opinion of external experts such as a speech and language therapist, an educational psychologist, or a paediatrician.

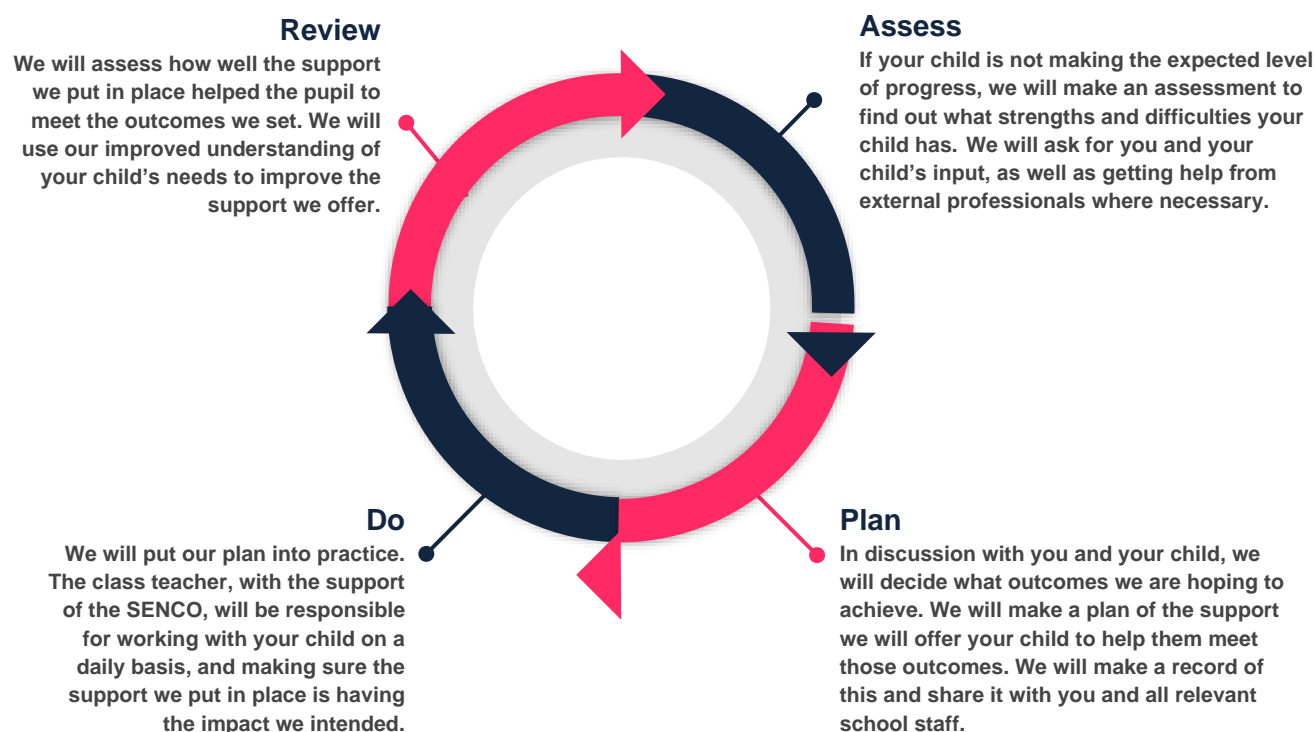

Based on all of this information, the SENDCO will decide whether your child needs SEND support. You will be told the outcome of the decision in writing.

If your child does need SEND support, their name will be added to the school's SEND register, and the SENDCO will work with you to create a SEND support plan for them.

HOW WILL THE SCHOOL MEASURE MY CHILD'S PROGRESS?

We will follow the 'graduated approach' to meeting your child's SEN needs.

The graduated approach is a 4-part cycle of **assess, plan, do, review**.

As a part of the planning stage of the graduated approach, we will set outcomes that we want to see your child achieve.

Whenever we run an intervention with your child, we will assess them before the intervention begins. This is known as a 'baseline assessment'. We do this so we can see how much impact the intervention has on your child's progress.

We will track your child's progress towards the outcomes we set over time and improve our offer as we learn what your child responds to best.

This process will be continual. If the review shows a pupil has made progress, they may no longer need the additional provision made through SEN support. For others, the cycle will continue, and the school's targets, strategies and provisions will be revisited and refined.

HOW WILL I BE INVOLVED IN DECISIONS MADE ABOUT MY CHILD'S EDUCATION?

We will provide annual reports on your child's progress.

Your child's class teacher will meet you 3 times per year to:

- Set clear outcomes for your child's progress
- Review progress towards those outcomes
- Discuss the support we will put in place to help your child make that progress
- Identify what we will do, what we will ask you to do, and what we will ask your child to do

The SENDCO may also attend these meetings to provide extra support.

We know that you're the expert when it comes to your child's needs and aspirations. So, we want to make sure you have a full understanding of how we're trying to meet your child's needs, so that you can provide insight into what you think would work best for your child.

We also want to hear from you as much as possible so that we can build a better picture of how the SEND support we are providing is impacting your child outside of school.

If your child's needs or aspirations change at any time, please let us know right away so we can keep our provision as relevant as possible.

After any discussion we will make a record of any outcomes, actions and support that have been agreed. This record will be shared with all relevant staff, and you will be given a copy.

If you have concerns that arise between these meetings, please contact your child's class teacher.

HOW WILL MY CHILD BE INVOLVED IN DECISIONS MADE ABOUT THEIR EDUCATION?

The level of involvement will depend on your child's age, and level of competence. We recognise that no 2 children are the same, so we will decide on a case-by-case basis, with your input.

We may seek your child's views by asking them to:

- Attend meetings to discuss their progress and outcomes
- Discuss their views with a member of staff who can act as a representative during the meeting

HOW WILL THE SCHOOL ADAPT ITS TEACHING FOR MY CHILD?

Your child's teacher is responsible and accountable for the progress and development of all the pupils in their class. Teachers plan lessons that involve all children in a challenging yet supportive way, alongside our experienced Teaching Assistants who enable this to take place within a mainstream classroom environment. We follow Northumberland's Ordinarily Available Provision guidelines to ensure that we provide the best educational experience for every child. High-quality teaching is our first step in responding to your child's needs. We will make sure that your child has access to a broad and balanced curriculum in every year they are at our school. We will differentiate (or adapt) how we teach to suit the way the pupil works best. There is no '1 size fits all' approach to adapting the curriculum, we work on a case-by case basis to make sure the adaptations we make are meaningful to your child.

We may also provide the following support:

AREA OF NEED	CONDITION	HOW WE SUPPORT THESE PUPILS
Communication and interaction	Autism spectrum disorder	Visual timetables Social stories Calm areas Visual prompts Task Organisers Zones of Regulation
	Speech and language difficulties	Speech and language therapy
Cognition and learning	Specific learning difficulties, including dyslexia, dyspraxia and dyscalculia	Writing slope Phonics intervention Laptop aids Modified fonts Cream backgrounds
	Moderate learning difficulties	Specific maths/English interventions
	ADHD, ADD	Quiet workstation

Social, emotional and mental health	Adverse childhood experiences and/or mental health issues	Nurture groups Counselling Forest School Zones of Regulation
Sensory and/or physical	Hearing impairment Visual impairment	Providing altered resources Positioning in class
	Physical impairment	Pencil grips "Thera putty" Modified cushions OT support Supportive physical environment

HOW WILL THE SCHOOL EVALUATE WHETHER THE SUPPORT IN PLACE IS HELPING MY CHILD?

We will evaluate the effectiveness of provision for your child by:

- Reviewing their progress towards their goals each term
- Reviewing the impact of interventions regularly
- Using pupil questionnaires
- Monitoring by the SENDCO
- Using provision maps to measure progress
- Holding an annual review (if they have an education, health and care (EHC) plan)

HOW WILL THE SCHOOL RESOURCES BE SECURED FOR MY CHILD?

It may be that your child's needs mean we need to secure:

- Extra equipment or facilities
- More teaching assistant hours

- Further training for our staff
- External specialist expertise

If that's the case, we will consult with external agencies to get recommendations on what will best help your child access their learning.

The school will cover up to £6,000 of any necessary costs. If funding is needed beyond this, we will seek it from our local authority.

HOW WILL THE SCHOOL MAKE SURE MY CHILD IS INCLUDED IN ACTIVITIES ALONGSIDE PUPILS WHO DON'T HAVE SEND?

All of our extra-curricular activities and school visits are available to all our pupils, including our before and after-school clubs.

All pupils are encouraged to go on our school trips, including our residential trips.

All pupils are encouraged to take part in sports day and school performances.

No pupil is ever excluded from taking part in these activities because of their SEND or disability and we will make whatever reasonable adjustments are needed to make sure that they can be included.

HOW WILL THE SCHOOL SUPPORT MY CHILD'S MENTAL HEALTH AND EMOTIONAL AND SOCIAL DEVELOPMENT?

We provide support for pupils to progress in their emotional and social development in the following ways:

- › Pupils with SEN are encouraged to be part of the school council
- › Pupils with SEN are also encouraged to be part of clubs to promote teamwork/building friendships
- › We run a nurture club for pupils who need extra support with social or emotional development
- › We have a 'zero tolerance' approach to bullying.

WHAT SUPPORT WILL BE AVAILABLE FOR MY CHILD AS THEY TRANSITION BETWEEN CLASSES OR SETTINGS, OR IN PREPARING FOR ADULTHOOD?

Between years

To help pupils with SEND be prepared for a new school year we:

- Ask both the current teacher and the next year's teacher to attend a final meeting of the year when the pupil's SEN is discussed
- Schedule lessons with the incoming teacher towards the end of the summer term

Between schools

When your child is moving on from our school, we will ask you and your child what information you want us to share with the new setting.

The SENDCO of the secondary school will come into our school for a meeting with our SENDCO. They will discuss the needs of all the children who are receiving SEN support.

Pupils will be prepared for the transition by:

- Practising with a secondary school timetable
- Learning how to get organised independently
- Plugging any gaps in knowledge

WHAT SUPPORT IS IN PLACE FOR LOOKED-AFTER AND PREVIOUSLY LOOKED-AFTER CHILDREN WITH SEND?

Mrs Anderson will make sure that all teachers understand how a looked-after or previously looked-after pupil's circumstances and their SEN might interact, and what the implications are for teaching and learning.

Children who are looked-after or previously looked-after will be supported much in the same way as any other child who has SEND. H

WHAT SHOULD I DO IF I HAVE A COMPLAINT ABOUT MY CHILD'S SEN SUPPORT?

Complaints about SEN provision in our school should be made to the class teacher in the first instance. They will then be referred to the school's complaints policy.

If you are not satisfied with the school's response, you can escalate the complaint. In some circumstances, this right also applies to the pupil themselves.

To see a full explanation of suitable avenues for complaint, see pages 246 and 247 of the [SEND Code of Practice](#).

If you feel that our school discriminated against your child because of their SEND, you have the right to make a discrimination claim to the first tier SEND tribunal. To find out how to make such a claim, you should visit: <https://www.gov.uk/complain-about-school/disability-discrimination>

You can make a claim about alleged discrimination regarding:

- Admission
- Exclusion
- Provision of education and associated services
- Making reasonable adjustments, including the provision of auxiliary aids and services

Before going to a SEND tribunal, you can go through processes called disagreement resolution or mediation, where you try to resolve your disagreement before it reaches the tribunal.
