Our aims

Broomhill First School believes that parents' involvement in their children's education is vital – this is why we encourage active participation in many ways, including accompanying their child on educational trips and visits.

The purpose of this document is to ensure you have all the information you need to guarantee that your time on school trips is both worthwhile and enjoyable, that our pupils benefit from as much help and support as possible, and that they remain safe and secure whilst in our care.

As a parent volunteer, you have a valuable role in supporting us to fulfil our aims. We hope that you find the information in this document helpful and thank you for volunteering to help our pupils on their educational trip/visit.

1. Parent volunteer duties

As a parent helper on an educational trip or visit, your main duties are to:

- Ensure the safety and security of pupils.
- Engage with pupils to enhance their learning experience.
- Help all pupils participate fully and independently in all activities.

In carrying out your duties, you must ensure that you comply with this protocol at all times and are aware of your responsibilities with regards to representing the school.

We will attach an agreement slip to this document. We ask that you sign and return this to the Office Manager or Headteacher to confirm that you have read and agree to the conditions outlined in this protocol.

2. Responsibilities of the school

The school agrees to:

- Explain your tasks carefully and ensure you are clear about how we would like you to engage with pupils.
- Share information from our Behaviour Policy with you to help you understand how we manage pupils' behaviour.
- Ensure that the pupils you work with behave and work well.
- Treat you with respect and care.
- Share relevant information about the pupils you are working with.
- Let you know, in advance, the overall agenda for the day, and to inform you if this changes.
- Treat anything you tell us with confidentiality.

We will never ask you to deal with difficult or challenging behaviour, or to carry out a task that you feel uncomfortable with.

3. Expectations of parents

As a parent helper, you are expected to:

- Do your best to ensure the health and safety of everyone in your assigned group.
- Follow the instructions of the group leader and school staff, and provide support with control and discipline, ensuring the pupils in your group follow all instructions.
- Dress appropriately for the trip or visit.
- Model acceptable behaviours and uphold the positive image of the school whilst out in public.
- Work cooperatively and professionally with staff.
- Adhere to the relevant policies and procedures – these will be provided to you before the trip takes place.

You must not:

- Smoke or consume alcohol at any point during the trip or visit.

- Use a personal device to take photographs of any pupils, or share information about the school trip or visit, e.g. on social media or via messaging apps.
- Share any information you have seen or heard with friends, family or another child's parent.
- Leave the wider group unaccompanied by a member of school staff.

4. Guidelines for trips and visits

Any parent who does not follow the guidelines below will not be invited to accompany their child on any future trips or visits.

Please ensure that you have read and understood the following guidelines:

- Unless the school has conducted an enhanced DBS check for you, you will always be under the supervision of the group leader and/or a member of school staff, who will explain the task, what is required of pupils, and your role within the group. If you are unsure of what you have been asked to do, please speak to the group leader immediately.
- You cannot take pupils to the toilet or take charge of a group if the school has not obtained a DBS check for you.
- You may not always have your own child in your group – you will be given a list of pupils for whom you are responsible. Decisions around groupings are made based on numerous factors.
- You must not leave your group at any time without notifying the group leader.
- Group leaders are responsible for all first aid and medication. If there is a medical emergency, you must let your group leader know immediately – they are responsible for contacting the school in emergency situations.
- You are not permitted to bring any of your child's siblings or additional children on a school trip.
- If pupils have been asked not to bring spending money, you should not purchase items for your child or group.
- Pupils are encouraged to be independent, so you should not offer to do things for them in the first instance.
- You should prepare your child for the experience in advance by explaining that you will be attending the trip or visit to help all pupils, that the teacher is in charge, and that they have to do what the teacher has requested. You should not worry about your child's behaviour during the trip or visit.
- You must not use the time spent with the school to deal with issues regarding your own children, e.g. asking staff about their progress.
- If you experience any difficulties within your group, e.g. challenging behaviour, you should inform the group leader as soon as possible.
- When walking in public places, you should encourage pupils to walk in pairs.
- If a trip involves a coach journey, you must help the pupils in your group to put on their seatbelts. Pupils are not permitted to eat or drink on coaches. Group leaders have sick bags if needed.
- At the end of the trip or visit, you must accompany your group back to the classroom or alternative pick-up location.

You must inform the school if you are unable to attend a trip or visit by telephoning the school office on 01670 760339 as soon as possible.

5. Security

On arrival at the school, you must sign in at the school office. Here, you will be given a volunteer's badge which will detail your name, role and, on the reverse, procedures to be followed in an emergency. This badge must be worn at all times. You must return the badge to the school office at the end of the trip and sign out before you leave the premises.

On arrival, you will also receive a safeguarding leaflet. This contains important information. Please read this leaflet carefully and speak to a member of staff if you have any questions.

The Office Manager will note which class trip you are accompanying. A member of staff will meet you at reception and escort you to your group.

If the fire alarm sounds whilst you are on the school premises, you will be led to the designated meeting point where a register will be taken, and a member of staff will inform you of what to do next. Please familiarise yourself with the school's fire safety and evacuation procedures before arriving on site.

6. Safeguarding

We are not required to obtain a DBS check for volunteers who are supervised at all times, e.g. those who accompany pupils on one-off trips that do not involve overnight stays.

If you are accompanying a trip that includes an overnight stay, the school will obtain all the necessary documentation, including an enhanced DBS certificate with barred list information. Please be assured that all the information obtained via safeguarding checks will be treated confidentially and that these checks are only conducted in the best interests and safety of our pupils.

The headteacher has the authority to refuse the help of parent helpers if they believe that it would not be in the best interest of pupils.

If, when accompanying pupils on a trip, a pupil tells you something that causes you concern, you must report this to the group leader as soon as possible in an appropriate setting, to ensure others cannot overhear. We have three Designated Safeguarding Leads (DSL) in school – this information is set out in the safeguarding leaflet. It is likely that a DSL will accompany the children on the educational visit.

We must follow careful guidelines with regards to physical contact with pupils. We ask that you do not initiate contact with pupils and we strongly discourage over-familiarity, even if you know the pupil already. Please do not lift, carry or move a pupil in any way.

You can request a copy of our Safeguarding and Child Protection Policy from the school office should you wish to find out more about safeguarding provision in our school. This policy is also available on our school website.

7. Confidentiality

We ask all parent helpers to work to a policy of confidentiality. You may see pupils struggling with tasks, getting upset or misbehaving, or hear information concerning a pupil whilst you are with us. It's important that you do not share anything specific about pupils with friends, family or a pupil's parent, even if you know them. If you are approached by a parent, you should refer them to the class teacher, who is responsible for informing parents of any concerns about a pupil.

If you have any queries or problems regarding the trip or visit, please direct these in the first instance to the class teacher/group leader or, if you would prefer, the headteacher upon our return from the trip.

8. Monitoring and review

The Educational Visits and Trips Protocol for Parent Helpers is reviewed on an annual basis by the headteacher and Educational Visits Co-ordinator.

If you have any queries about our protocol, please do not hesitate to let us know. You can contact the headteacher via telephone who will answer any queries you have.

The next review date for this document is January 2023.
